

## Reminder - COVID-19 Testing Today

East-West Center Alert <eastwestcenter@getrave.com>

Fri 11/13/2020 10:34 AM

To: Mak-Lavy, Kanika <maklavyk@EastWestCenter.org>

### IMPORTANT UPDATES:

1. **Today's testing will be open to HM and HK residents who feel they have been exposed.**
2. **This is a nasopharyngeal swab test.**
3. **Only 18% of our resident population took advantage of this on-site testing yesterday. Get tested today!**
4. **Completed registration form (attached), ID and a valid medical insurance card are required for testing.**
5. **Notify Housing and your Program Coordinator if you have been tested through another provider.**

### COVID-19 Testing at EWC

EWC has arranged for on-site COVID-19 testing on Thursday, November 12 and Friday, November 13.

**It is very important that all 12th floor residents get tested.**

#### Friday, November 13

- **4:00 p.m. - 6:00 p.m.**
- **12th floor residents:** Notify [housing@eastwestcenter.org](mailto:housing@eastwestcenter.org) as soon as possible if you need to be tested at this date and time. Testing will be done in each occupied **12th floor room** as detailed above. No reservation is necessary – we will come to your room sometime between 4:00 p.m. - 6:00 p.m.
- **All other Hale Mānoa and Hale Kuahine residents** who believe they are at increased risk because of our first positive case are welcome to get tested as well. This testing will be done at the **Jefferson Hall Lānai**. No reservation is necessary – first come, first served.
- Identification (ID) and medical insurance card are required.
- Testing will be at no cost to students, however the medical provider will be filing a claim with your insurance provider.

If you have already been tested through another provider, please notify Housing and your Program Coordinator. We will send you details for reimbursement if needed.

Thank you for your patience as we navigate the ever-changing situation of COVID-19 here on Oahu and make sure we get the services we need to put the health and safety of our residents first.
