

EWC Housing Weekly Update - Dec 30

Rumor Control

- It has been brought to our attention that there is a rumor circulating that there is a possibility that students might be asked to leave the facilities they currently live in, because of recent reports about the new strain of coronavirus. **Please note that this is not true!** In fact, we have new students who have arrived and are already being housed. Students will continue to be housed in the dorms for the foreseeable future. We would ask that you please check with EWC staff directly if you hear something that concerns you. Thank you, and Happy New Year!
